## President's Message

As we get into the dog days of summer, it is time to begin looking at the 2005-2006 TNA District Three year. I look forward to serving the great nurses in this district and have proposed goals that I hope will increase our membership and our involvement on the district, state and national levels to make a difference for our colleagues, ourselves and the future of nursing.

Our goal which is to get information about the events of the year to each nurse in the district is a lofty one but a task we are very able to accomplish. Each nurse in this district is important to TNA and the plans include a meeting in another area of the district to reach those outside of Tarrant County, a Bioterrorism workshop, Fall Issues Forum with Clair Jordan, Holiday Magic, and many other exciting events.

Publishing the calendar this far in advance affords each nurse the opportunity to plan the meetings into their schedule of work and family as other events are planned. The district welcomes input from each nurse as the Board of Directors continues to plan activities that will meet the needs of the nurses of the district. We would like to know what works and what your needs are so please contact any of us with ideas, questions, and/or suggestions at our new district email address: [tna3@usapathway.com](mailto:tna3@usapathway.com). The board meets monthly, usually on the first Saturday of the month and any input from you will be brought to the meetings for discussion.

Also, be looking for opportunities to serve within the district with such activities as review of scholarship applications, networking with area Texas Nursing Student Associations (TNSA), and assisting with visits to area hospitals for membership drives. There are lots of opportunities to serve within the district that meet the needs of every nurse. Let's make 2005-2006 a year to remember in TNA District 3.

As TNA makes a difference for the nurses and people of the state of Texas, let us all help TNA District 3 make a difference for the nurses and people of our great district. See you all at the meetings.

Sharon Ransom  
President

**Opportunity for you at the House of Delegates to:**

- Receive up-to-date state/national information
- Contribute to future TNA policy/strategy
- Network with peers from across the state
- Have fun with local representatives

Members of TNA House of delegates spend one Friday evening and one Saturday/ year in Austin. This meeting usually occurs in April. If needed, TNA3 pays travel and lodging. A two year commitment is required.

Personally, I have thoroughly enjoyed representing TNA3 at the HOD. Our representatives are so much fun and genuinely interested in making a difference in the state of Texas.

If you are interested or if you would like to recommend someone, reply to the notice below. I would like to serve with you in Austin
