## President's Message

It seems that winter decided to revisit the metroplex but it did not put a damper on the Legislative Update presentation on Saturday, February 18, 2006. We had 141 people present and although the majority of them were students it was a glorious sight to see so many have their passion re-ignited for their profession. We even gained several new members as the result of this presentation. A huge thank you to Fran Martin and Margie Dorman-O'Donnell for their energy, drive and wealth of knowledge demonstrated in this fantastic presentation.

One interesting discussion that came out of Saturday's meeting was the fact that some of the students present were RN to BSN students and had never heard of TNA. We as a board of directors recognize there is a gap in reaching certain groups of students and began developing a plan to bridge that gap. The presence of TNA District 3 has been missing in several arenas and the BOD has become committed to correcting that issue. We are planning booths at area specialty conferences and job fairs as well as personal visits to schools of nursing to speak directly to students nearing graduation. In addition, plans are developing to make presentations about TNA to the student nurse organizations at each of the schools of nursing in the area. This means we need members that are willing to go to these activities and help spread the word about Texas Nurses Association and District 3. Please respond to the Emails that the membership will receive regarding dates and times that you can assist with these endeavors.

Our next membership meeting will be Thursday, April 20, 2006 from 6:30pm to 8:30pm, with registration beginning at 6:00pm. This meeting presents another opportunity to obtain your bioterrorism CE's required for re-licensure prior to the 2007 deadline. Lorrie Adams will be speaking to us again. She received rave reviews for her previous presentation. She is the safety officer for Harris HEB and her expertise has developed from military and civilian training and experience. You will not want to miss this very enjoyable and informative presentation. The cost of this workshop is \$25.00 for members who register prior to April 7, 2006 and \$30.00 for members who register after April 7, 2006. There is a flyer and registration form included in this newsletter.

As I close this message, I would once again like to encourage you all to do your part as members of TNA, District 3. Each member can participate by attending a meeting, assisting with a project, running for an office, or even bringing a friend to learn more about TNA. We currently have 346 members in a district of 12,600 RN's. If we each encourage one person to join and they encourage one person to join and so forth, can you imagine what we can do for our profession? I would also like to encourage you to let us know how we can best meet your needs as a professional. I would love to hear from each of you about what you need from your district leaders and the organization as a whole. Please Email your comments and suggestions to [tna3@usapathway.com](mailto:tna3@usapathway.com). This is your district, we are your leaders, and we look forward to serving you based on your needs.

Until next time,  
Sharon Ransom

## “Agents for Success: Nursing’s Political Future Depends on You.”

On Saturday, February 18, more than 140 people gathered in the Hochberger Auditorium at Cook Children’s Medical Center for the first TNA District 3 meeting of the 2006 year. Fran Martin and Margie Dorman O’Donnell presented “Agents for Success: Nursing’s Political Future Depends on You.” The presenters used video clips and personal stories to stress the importance of nurses having a voice in political decisions which affect nursing, and they discussed legislative initiatives in support of a safe patient care environment.

Despite frigid temperatures and the threat of icy conditions, participants traveled from Dallas, Wills Point, Sherman, Denton, Athens and Mesquite. Many in the audience were students who learned about ways to become active in the political process. They were reminded that involvement in ANA and TNA is necessary to determine Nursing’s future.

TNA District 3 gained 3 members at this meeting!!! Look for their names in the March newsletter. Susie Hood sold 10 Texas RN pins!
